Class Enrollment Information

The Training Request Form located on page 25 can be e-mailed, faxed, sent by U.S. mail or personally delivered to AZ POST. The agency's designated training coordinator or agency head must sign this form.

E-mail Both: lketron@azpost.gov and lhowe@azpost.gov

Fax: (602) 244-0477

Address: AZ POST
2643 East University Drive
Phoenix, AZ 85034

Agencies employing from 1 to 100 officers will be given one slot in an unfilled class. Agencies with 100-plus officers will be given 2 slots in an unfilled class. The number of officers employed by each agency is listed on pages 27 and 28.

If a Training Request Form is received after the **July 3, 2008**, the lottery deadline, the student's name will be placed on a "Waiting List." If there are any cancellations, we will add students from the "Waiting List" and the Agency Training Coordinator will be notified.

The "Waiting List" is valid for this calendar only. It does not carry forward to future calendars.

The Board can only use its funds to train Arizona certified peace officers. By law, the Board cannot use its funds to train civilians or officers employed by the following organizations: Railroad Police and Central Arizona Water Conservation District. Detention officers and non-sworn personnel of Arizona Department of Corrections and Juvenile Department of Corrections are not eligible for funding.

Students must attend the entire class in order to receive training credit. If the student is unable to attend the entire course, please reschedule the student.

Confirmation letters notifying Agency Training Coordinators of those officers enrolled in a class will be e-mailed or faxed to the Training Coordinators approximately two weeks prior to the start of class. If a confirmation is not received, the officer will be moved to the waiting list. Confirmation of someone on the waiting list will not be made until a slot becomes available. Such notification may be at the last minute.

Once the Training Coordinator receives the confirmation letter, please call, fax, or e-mail AZ POST to confirm the officer's attendance in the class.

Please note that sending in a Training Request Form does not guarantee a position in a class. We usually have far more requests than slots in a class. Students are not enrolled in a class until the confirmation letter is received by the agency from AZ POST.

If you have questions, please feel free to contact the In-Service Training Unit: (602) 223-2514

DVD TRAINING PROGRAMS

AZ POST plans to produce and distribute 4 - 7 DVD training programs for the 2008 Calendar year. These will include Officer Redaction, Law Enforcement Suicide, Child Abuse Investigation Protocols and the 2008 Legal Update. The target date for the first release is May 2008.

DVDs will be distributed according to a pre-determined formula. An agency will receive one DVD for every twenty officers. The DVDs may be copy-protected. However, if you would like more copies, please contact Rosalee Fitch at 602-223-2514 or at rfitch@azpost.gov.

The DVD will be able to be viewed with a DVD /Television Player or with a computer which is equipped with a DVD player. This allows the agency to present the training to a group or to individual officers at their own convenience. The DVD is usually divided in sections which will readily allow it to be incorporated into daily briefings/roll-call training or it may be used in 2 hour training sessions. The reference material, and instructions on how to access them, will be included on the DVD.

A Program Compliance Confirmation form will be provided on the DVD, or on a separate CD. It will be program specific and must be signed by each officer. This form must also be signed by his or her supervisor or the designated agency training coordinator as confirmation of viewing. A copy should be placed into the officer's training file for audit purposes and we always suggest the officers retain their own copy. DO NOT RETURN THESE FORMS TO P.O.S.T.
